PROFESSIONAL SUMMARY

I'm Pandey Shubham, a passionate Programmer on a constant journey of growth and learning. Currently, I'm diving deep into enhancing my skill set, which includes not only refining my expertise as a Front-End Developer but also expanding my horizons by learning C++ alongside Data Structures and Algorithms (DSA). I have over 1.5 years of professional experience as a WordPress Developer, having built more than 40 websites using plugins like Rank Math, WP Rocket, and Astra Theme. I also work as a Shopify Developer and have contributed to building e-commerce websites, such as the Enera project, where I worked on-site handling design checks, bug fixing, and product detail page layouts. I'm currently working remotely for a US-based product company named Danamedic APS.

SKILLS

- Front-Developer
- Shopify-Developer
- Wix
- Flutter Flow
- HTML
- CSS (Cascading Style Sheet)
- DSA (Data Structure & Development)
- C++
- OOPS
- Bootstrap

EXPERIENCE

WORDPRESS / SHOPIFY DEVELOPER - DANAMEDIC APS
Remote (United States), *April 2023 - January 2025*

I have been working as a WordPress and Shopify Developer at Danamedic APS, a product-based company, for the past 2 year 9 months. My role includes designing and developing responsive and user-friendly websites using WordPress, advanced page builders, and Shopify. I focus on SEO optimization with Rank Math on WordPress, and on Shopify I specialize in the Essence theme and multiple apps like Avada to improve SEO and speed optimization for the entire site. Till now, I have successfully created 40+ high-quality websites that are fully optimized, aligned with branding goals, and contribute to business growth.

SHOPIFY DEVELOPER - ENERA
Ahmedabad, Gujarat, *January 2025 -Present*

At Enere, I worked as an on-site Shopify Developer, where I was responsible for building and maintaining the company's e-commerce website. I handled bug fixing, optimized product pages for better UI/UX, and improved mobile responsiveness. My duties also included regular testing and ensuring content accuracy across product listings. This experience enhanced my skills in Shopify theme customization, front-end optimization, and design collaboration.
